Academic and Golfing Awards and Honors

Joseph Lopez and Catherine Pease "2003 Players of the Year"

Junior Amateur Golf Scholars held its annual Player's Award Banquet on Sunday, September 14, 2003 at the beautiful Old Ranch Country Club in Seal Beach, California. JAGS was proud to honor many players for their academic achievements and tournament accomplishments during the 2002/03 season. Top honors were awarded to **Joseph Lopez**, Chino Hills, Calif., and **Catherine Pease**, Camarillo, Calif., as the 2003 Players of the Year.

Joseph Lopez, who will be attending Mt. San Antonio Junior College in the Fall, 2003, won three boys titles, placed in the top 5 twice and in the top ten once during the 2002/03 season. His first victory came at the President's Junior Cup at Los Serranos Golf Club in Chino Hills, Calif. Playing on his home course, Joseph scored 73-75-148 even par for his first JAGS win. His second victory was won at the Memorial Salute played at the Cypress Golf Club in Los Alamitos, Calif. Joseph stunned the field by posting a first round 67 leading the field by 6 shots. He finished the event 1-under par (67-76-143) to claim the overall championship. His third Championship was captured at the Esteban Toledo Junior Cup. This impressive win was at the redesigned Cresta Verde Golf Club in Corona, Calif., as Joseph scorched the field when he carded a 4-under par two-day total of 137 (67-70) for the victory. In addition to being named Player of the Year, Joseph was named to the 2003 Western All-Star Team and was also awarded Silver Academic Honors for maintaining his grade point average between 3.5-3.99 during the 2002/03 school year.

Catherine Pease, a freshman and a member of the Women's Golf Team at Gonzaga University in Spokane, Washington this September, captured two girls championship titles, two top five finishes and one top ten finish to earn her the Girls 2003 Player of the Year honors. Catherine's first victory was at the Shandin Hills Junior Shootout in January where she was stung by a bee on the 6th hole of day one, posted a first round of 90, and came back the next day and shot a solid round of 79 to claim the championship. Her second title was captured in April at the Marty LaRoche Junior Invitational played at Tijeras Creek Golf Club in Rancho Santa Margarita, Calif., when she carded a 161 taking first place over an impressive girl's field. In addition to being named Player of the Year, Catherine was named to the 2003 Western All-Star Team, was awarded Silver Academic Honors for maintaining her grade point average between a 3.5-3.99 during the 2002/03 school year and was also awarded a \$500.00 Academic Scholarship from the JAGS Academic program. Congratulations Joseph and Catherine on your outstanding play and academic success during the 2002/03 JAGS Tour.
