Gold and Silver member's grade point average is determined from the player's official school transcript (over-all gpa calculated) or 2nd semester report card (semester 2 gpa calculated) which ever is submitted by July 14, 2009. Player's GPA is calculated using the standard academic point system A=4, B=3, C=2, D=1.

Only High School AP and IB classes are full-weighted and calculated at one additional point for gpa calculations, A=5, B=4, C=3, D=1.

Only High School Honors classes are half-weighted and calculated at one-half additional point for gpa calculations, A=4.5, B=3.5, C=2.5, D=1.
