FRIENDS of Junior Amateur Golf Scholars

Junior Amateur Golf Scholars (JAGS Tour) is a fully-accredited 501 c (3) non-profit public benefit organization established to allow continued growth and development for boys and girls ages 10-18, through a competitive year round junior golf program in California and surrounding western states.

JAGS Tour is committed to helping college bound young men and women realize their dreams by providing college financial assistance through the JAGS Tour Academic Scholarship Program. In addition, JAGS Tour has many junior golfers unable to afford tournament entry fees due to these difficult economic times.
