

JAGS Tour

2011/2012 Tournament Point System

JAGS Tour Advance Level Player of the Year (Boy/Girl) and the JAGS Tour All-Star Team selections are determined by maintaining the gpa requirement of 3.0 or higher and submitting their grades on time after each official grading period, along with tournament participation and points earned from their overall standing in each tournament they complete in the Advance Tournament Level.

Selected players **must be an eligible Gold Member** of the JAGS Tour in good standing during the current tournament season and complete a minimum of 4 tournaments including 1 major to qualify for post season honors. They must be academically qualified with their official semester/quarter/trimester grades submitted within 10 days after each official grading period.

JAGS Tour players on gpa probation/suspension will not be awarded bonus points for tournaments completed while they are on probation/suspension status.

Probation/suspension status is placed upon Gold Members who fall below required grade point average of 3.0 or who do not submit their official grades for review and approval at the conclusion of each official semester/quarter/trimester grading period during the current school year.

Participation Points are awarded to all players in each tournament field (Advance & Intermediate) whereby everyone returning a score at the completion of each tournament will receive at least one point, (each divisional winner receives as many points as number of players in the field down to the last place receiving 1 point) and awarding "Bonus" points as listed below.
